Sen. Birkholz to discuss meth legislation with Warren Pierce Sunday

LANSING – State Sen. Patty Birkholz, R-Saugatuck Township, will discuss her methamphetamine legislation with WJR personality Warren Pierce Sunday, April 10.

Birkholz is sponsoring Senate Bill 189, which would require all products containing ephedrine or pseudoephedrine as the sole active ingredient be kept behind a counter where the public is not permitted and require a person buying the medication to show valid identification and sign a log book indicating the amount purchased.

Birkholz will be on the air from 8:10 until 8:30 a.m. Listeners can tune to 760 on their AM dial or log on to www.wjr.com to listen to the show.
